

Ohm Metrics PDT800K Deluxe Wrist Strap/Footwear Tester

Deluxe ESD Preventive Checker:

The PDT800K is a comprehensive, accurate tool to fully meet your daily ESD checking needs. Independently tests the left and right foot and wrist band and an innovative LCD screen will instantly display the test result and the measured resistances. The proactive "Near-Fail" indicator alerts the user that the ESD grounding device under test is nearing failure levels. Meets or exceeds the requirements of international standards such as ANSI/ESD S20.20-2007 or IEC61340-2007.

Features include:

- LCD display instantly displays the test result and the measured resistance.
- "Near-Fail" LED indicator.
- Tests Wrist only, Foot only, or Both wrist and foot.
- 100% independently test the left-foot and the right-foot.
- Test limits meet USA and European standards; preset with broad test range 100KΩ~1GΩ.

Model PDT800K
*Grounding Device Tester
with LCD readout and
"near-fail" alert*
